3 PIECE CAMOKIT

Our best selling item is a sure way to add quick and easy camo. Constructed of heavy-duty 2.3mm neoprene, the 3-Piece Camo Kit absorbs shock, improves shooting comfort and accuracy, and prevents unwanted nicks and dings to your gun finish. While the kit is easy to slide on and take off, the rubber backing ensures the product stays in place after installation.

If you value your firearm and are serious about concealment, Beartooth's **3-Piece Camo Kit** will keep you covered and protected in *every* condition *all* the time.

SCOPEGUARD

Why pay hundreds of dollars for a scope and not protect your investment? Our ScopeGuard is the easy way to extend the life of your scope by eliminating unnecessary wear and tear. Heavy-duty neoprene construction is shock absorbent, water resistant, and prevents harmful dirt and debris penetration. Other scope covers need to be taken off for scope use, while Beartooth's open ends allow for in-the-field use, where most damage occurs. Cut-to-fit length for custom sizing.

*You do not need to remove your scope to install **ScopeGuard**.

Velcro closure between mounts provides tight, secure fit

- ◆ Protects scope body
- ◆ Adds camo while reducing glare
- ◆ Repels moisture

RECOIL PADKIT

Beartooth's Recoil Pad Kit is by far the best and easiest way to properly fit your gun and eliminate hard-hitting recoil. The hi-density inserts are constructed of VA65 closed cell foam which is known for its exceptional high energy absorption properties. The various insert sizes can be used interchangeably to precisely achieve your desired stock length. By reducing recoil, Beartooth can assist in eliminating shoulder fatigue while improving your shooting accuracy.

Shot after shot, the **Recoil Pad Kit** gets the job done.

- ◆ Reduces recoil by 40%
- ◆ Slips over existing recoil pad
- ◆ One size fits most firearms

Multiple pad widths allow easy adjustment and significant recoil reduction
