"Beartooth Product's 3-Piece Camo Kit is a MUST for your shotgun in Spring Turkey Season!! Not only is the camo essential for concealment, but it also offers protection to your favorite scattergun. That can be PRICELESS when you find yourself having to "belly-crawl" on that BIG Gobbler that's hung up out in a field. The "Boys at BuckDown" believe, rely and depend on the 3-Piece Camo Kit from Beartooth, you should too!! Give it a try...you WON'T be disappointed!!"
